

# Standard Outerbox Label Change to Include RoHS and Halogen Free Mark

**Bulletin Issue Date:** 5/26/2017

**Effective Date:** 5/30/2017

## Description of Change

Silicon Labs is pleased to announce a change to our standard outerbox label. It will now show RoHS compliance and Halogen Free compliance. The Pb-free mark is replaced with RoHS. See picture below for example of new label.

## Reason for Change

In order to better communicate the compliance of our products the label will change to show both RoHS compliance and Halogen Free compliance.

## Product Identification

All Integrated Circuit Products

This change is considered a minor change which does not affect form, fit, function, quality, or reliability. The information is being provided as a customer courtesy.

Please contact your local Silicon Labs sales representative with any questions about this notification. A list of Silicon Labs sales representatives may be found at <http://www.silabs.com>.

## Customer Actions Needed:

None
